North Charleston, South Carolina 29405

Dear Mr. Salters,

The City of Folly Beach hereby withdraws its Local Comprehensive Beach Management Plan from State review. Pursuant to changes in our local seawall ordinance, we will be re-adopting the plan during our October City Council Meeting and affording our citizens an additional period of public comment prior to re-adoption. We will re-submit to OCRM after that time.

Sincerely,

Spencer Wetmore
City of Folly Beach
